

In December 2018 the Allegheny East Conference Executive Committee voted into policy a complete ban on **ALL** 15-passenger vans effective **June 30, 2019**. Given the fact that this is the current policy of the conference there are two major implications that you should be aware of in order to ensure that there is compliance:

- **Insurance Coverage:** Effective June 30, 2019, 15-passenger vans will lose insurance coverage. If there is non-compliance with this policy and you are involved in an accident you will not have insurance coverage.
- **Personal Liability:** Failure to comply with this policy will result in the personal liability of drivers of these vehicles, since this is a well established and legitimate Conference Policy.
